

Federal Aviation Administration

SAFETY ALERT

Date: June 04, 2012
To: Users of the Digital En-Route Supplement (DERS)
From: Aeronautical Navigation Products (AeroNav Products)
Subject: Add Turning Point to Jet Route

CHANGE ENHIGH.DAT FILE J-63 AS FOLLOWS:

ADD TURNING POINT 42 07 15.1 075 22 04.5 ZBW TRNG PT
BETWEEN AIRWAY CROSSING 13490 (J49, J68, J522) AND AIRWAY CROSSING 13186 (J190)

Jet Route 063 legal description includes a turning point that is not part of the current DERS tracking. A Turning Point at position 42 07 15.1 075 22 04.5 will be added to the DERS airway tracking as a temporary fix to describe this turning point until a permanent fix is established. The turning point will be reflected in the next edition of the DERS effective July 26, 2012.

For technical assistance, please call 1 (800) 626-3677 or
